

19-2109.

(a) In addition to the duties set forth elsewhere in this subtitle, the Commission shall, to the extent budgeted resources permit:

(1) Establish by regulation the criteria to qualify as a community health resource under this subtitle;

(2) Establish by regulation the services that a community health resource shall provide to qualify as a community health resource under this subtitle; and

(3) Require community health resources to submit a plan to the Commission on how the community health resource will provide or arrange to provide mental health services;

(4) Identify and seek federal and State funding for the expansion of community health resources;

(5) Establish by regulation the criteria for community health resources to qualify for operating grants and procedures for applying for operating grants;

(6) Administer operating grant fund programs for qualifying community health resources;

(7) Taking into consideration regional disparities in income and the cost of medical services, establish guidelines for sliding scale fee payments at community health resources that are not federally qualified health centers, for individuals whose family income is between 100% and 200% of the federal poverty guidelines;

(8) Identify AND IMPLEMENT programs and policies to encourage specialist providers to serve individuals referred from community health resources;

(9) Identify AND IMPLEMENT programs and policies to encourage hospitals and community health resources to partner to increase access to health care services;

(10) Establish a reverse referral pilot program under which a hospital will identify and assist patients in accessing health care services through a community health resource;

(11) Work with community health resources, hospital systems, and others to develop a unified information and data management system for use by all
